

AGRICULTURE FACILITY

PUBLIC NOTICE OF INTENT TO CONSTRUCT

An agri-industry growing operation is proposed by the following:

Permit Applicant: _____

County: _____ Animal type: _____

Location: _____

This Public Notice of Intent to Construct is to inform you, as a property owner within 1,000 feet of the property line of the proposed facility, that an agricultural facility is proposed to be built near your property.

The signing of this form only indicates that you are aware of the proposed farm construction. The signing of this form **DOES NOT** waive any legal rights that a property owner has concerning the Department's permitting process in this matter. Nor does signing of this form constitute making a comment to the Department. Also, if the Department's permit decision is appealed, the signing of this form does not mean that the property owner can not participate in the appeal process. Participation in the appeal process will depend upon your legal standing in the matter.

Please Print (except for signature)

Name: _____

Address: _____

Phone #: _____

Signature: _____

Date: _____

Refusal to sign this form will not prohibit the Department from making a permit decision on the proposed facility. If you refuse to sign this form, the permit applicant will complete this form and write "refused to sign" in the signature block.

If you have objections to the construction of this facility, you may address specific objections/issues, in writing to: SCDHEC, Industrial, Agricultural & Storm Water Permitting Division, 2600 Bull Street, Columbia, SC 29201. The Department will consider all written comments in making the permit decision. All persons submitting comments will be notified by the Department of the decision. Please note that the Department is not involved in zoning or land use issues as these are local issues which must be addressed by local governments. Please contact your local county or municipal officials for any concerns on these issues.
